TO WHOM SO EVER IT MAY CONCERN

This is to certify that **Mr. Dibyadarshi Dash** , a student of Bachelor of Science in Computer Science and Cognitive Science from University of Michigan , completed his Research Internship in **Power Systems Group, Department of electrical Engineering, IIT Delhi** from June 28, 2018 to August 27, 2018. He has undertaken his research project on " **Peer to Peer Energy Trading between Electric Vehicles using Blockchain"**.

His performance during the training programme was appreciable and I wish him a successful and bright career ahead.
